SIR,

I have the honour to state that the marginally noted 4% State Loan Bonds of 1906-07 which were in the holding of Bajjanna were endorsed by him in favour of the Deputy Commissioner, Mysore District, when they were tendered as security on account of an Excise contract. The bonds were re-endorsed by the Deputy Commissioner in favour of M.Narasimhiah, the son of the holder, Bajjanna, on 15-8-1919 without quoting the authority under which the former was deemed to be entitled to the bonds. On a reference made by the Officer in charge of the State Huzur Treasury to the Deputy Commissioner of Mysore District to intimate the authority under which the bonds were endorsed in favour of M.Narasimhia who tendered them at the State Huzur Treasury for issue of conversion Loan notes of 1919-20, the Deputy Commissioner stated in his letter No. 573 of 24th July 1920 that no reference was available in his office to show why the bonds were so endorsed.

No.	Amount.
656	Rs. 1000
657	1000
667 to 672	500 each.

2. A reference was then made in this office letter No.166/P.D. of

6th August 1920 to the Government Advocate to express his opinion - as to whether the endorsement made by the Deputy Commissioner without the production of an heirship or succession certificate was correct. In his reply of the 18th instant to this reference, the Government Advocate states that as there is no break in the chain of endorsements, it appears immaterial at present to consider whether the present endorsee holds a succession certificate or not. He further considers that the Deputy Commissioner should satisfy himself before endorsement that he is endorsing the pro-notes in favour of the - right person, but that the title of the endorsee becomes complete - after the endorsement.

3. The view taken by the Government Advocate does not appear to be free from difficulty, as Government is the debtor to the holder of the bond, and as the endorsement in favour of the Deputy Commissioner by the holder, Bājjanna (which ought to have been made in favour of the Dewan) was not one which conveyed title of ownership to the Deputy Commissioner. It is therefore doubtful whether the endorsement in favour of a person other than the holder (Bājjanna) by the Deputy Commissioner without proof of title may be accepted as - correct. Copies of this office letter No.166/PD of the 6th instant and of the Government Advocate's letter No.47 of the 18th instant are submitted for favour of obtaining orders of Government as to whether - the latter's opinion may be accepted and conversion Loan Bonds issued to the applicant in this case.

I have the honour to be.

Sir,

Your most obedient servant,

T. Satyanarayana

=====

In forwarding herewith the upper halves of the marginally noted 4% Security Bonds presented for conversion by M.Narasimhaiya, I have the honour to state as follows:-

No.	Amount.
656	Rs. 1000
657	1000
667 to 672 of	500 each.

The holder, Bajjannah, endorsed the bonds in favour of the - Deputy Commissioner, Mysore District and subsequently died. The Deputy Commissioner, Mysore District then endorsed it in favour of M. Narasimhaiya on 15th August 1919 without quoting the authority under which the latter was deemed to be entitled to the bonds. Mr. Narasimhaiah is said to be the son of Mr.Bajjiannah.

In these circumstances, I request to be informed whether the endorsement made by the Deputy Commissioner in favour of Mr. Narasimhaiah without the production of an heirship or succession certificate is correct. The entire file of correspondence is - herewith sent for reference and kind return.

Copy of letter No.47 dated 18th August 1920 from the Government Advocate in Mysore, Bangalore to the Comptroller to the Govt. of His Highness the Maharaja of Mysore, Bangalore.

In returning herewith the file of papers and the upper halves of the marginally noted 4% Government Bonds, received with your letter No.166/P.D., dated the 5th August 1920, I have the honor to state that Mr. Narasimhaiya, the last endorsee, is entitled to hold the pronotes inasmuch as the Deputy Commissioner who was the next preceding endorsee, has duly endorsed the notes in favour of Mr. Narasimhaiya in accordance with the provisions of the Government Securities regulation No.IX of 1894, relating to endorsements of Government securities. There is no break in the chain of endorsements and it appears to me immaterial now to consider whether Mr. Narasimhaiya armed himself with a Succession Certificate or not. The Deputy Commissioner, no doubt, must satisfy himself before endorsement that he is endorsing the pronotes in favour of the person entitled to receive them. But after the endorsement, the title of the endorsee becomes complete and the question as to whether the non production of a succession certificate will disentitle him to get the pro-notes does not appear now to arise.
